Manndate—What we do....

We move in all furnishing, checking and inspecting, and set it in place, as per plans, in your condo.

We arrange* the pictures, accessories, linens, and all kitchenware, placing in the drawers, so that you can move right in.

We assemble, remove all packaging. We double check, and update you if there are any deficiency that we need to take care of.

We connect all your lighting(*including Bulbs*), plugging in to ensure they work
