

## Move-In Process Manndate Furniture Package SKY Residences @ ICE DISTRICT

### **Manndate—What we do....**

We move in all furnishing, checking and inspecting, and set it in place, as per plans, in your condo.

We arrange\* the pictures, accessories, linens, and all kitchenware, placing in the drawers, so that you can move right in.

We assemble, remove all packaging. We double check, and update you if there are any difficiency that we need to take care of.

We connect all your lighting , (including Bulbs), plugging in to ensure they work

We connect ceiling fixtures, mount sconces.

We help you with custom wall cabinets, shelving, bars, wall beds
